The existing scale of pay of Octroi Manegar and Mohatarfa Bill collector is Rs 20-1-25 This scale was sanctioned in 1936 It is stated that the present incumbants reached the maximum of the scale 5 years ago and have been working since then without any promotion The revision of scale of these two appointments is stated to have been resolved upon by the Couhcil several times before but for some reason or other it was not given effect to

Taking the precent order of Covernment No L 2593-604 dated 14/15-8-46 revising the scale of clerical establishment in the Municipalities from Rs 20-1-25 to Rs 25-1-40, as the basis, the Council have resolved at their meeting held on 1-9-1946 to revise the scale of both the appointments to Rs 25-1-40 so as to mak the scale uniform to facilitate interchange of officials As per proposition statement, the revision involves an extra cost of Rs 20/- per mensem on an average

Sir,

Subject Revision of scales of Octroi Lingesar and the Bill Collector, Chamarajanagar ~~Taluk~~ Municipality

Adverting to your letter No L 5352 dated 31st October 1946 calling for certain information on the above subject, I have the honour to furnish the information required below in juxtaposition

| Question | Replies |
|---|---|
| Has there been increase in work in the Pohatara and Octroi branches necessitating revision of scales of pay? | - Yes, the work in both the branches has increased in volume The income also has increased under both the items of revenue, as noted below |

| Year | Octroi | Pohatara |
|---|---|---|
| 1942-3 | 15,823 | 7758 |
| 43-4 | 21,526 | 8747 |
| 44-5 | 20,264 | 10220 |
| 45-6 | 19,021 | 9290 |

The town has since grown with its extensions The collecting staff have to cover more than the area which they were doing before, for purpose of their work Correspondingly, account keeping has also involved additional work

How many Bill Collectors and Octroi Mutsaddis are there in the Municipality?

There is only one permanent Bill-Collector and one Octroi Manegar One temporary Bill Collector has been entertained temprarily since 1-11-1946 in view of the increased work

What is the scale of pay of corresponding posts in the other Town Municipalities in the District

The Municipality has an annual income of Rs 90,000/- The scales of Octroi Manegar and Bill Collector are 20-1-25 The scales prevailing in the other Town Municipalities in the District are given below

| | Municipality | Bill-Collector | Octori Manegar |
|---|---|---|---|
| 1 | Nanjangud | 20-1-25 | 20-1-25 |
| 2 | Hunsur | 15-2½-20 | Rs15/- |
| 3 | Gundlupet | 20-2½-25 | Rs 20/- |
| 4 | Krishnaraja-nagar | 17-1-20 | 20-1-25 |

There is no uniformity in the pay The salary varies from Rs 15 to Rs 25/- and even more It bears no comparison with other Town Municipalities whose income is less than that of Chamaraj na

(2) With regard to appropriateness of time for suggesting revision having to pay the heavy Dearness Allowance, it is explained that the council have taken note of this fact and yet have adhered to their idea of revision of scales in view of increased work

(3) It is pointed in the report No C1-B2 4647 dated 4-647 that provision has been made in the Budget of 1947-48

1947-48 to meet the extra cost on account of revision and it is urged that revision may be sanctioned with effect from 1st July 1947 This report is enclosed

I request in these circumstances that sanction may kindly be accorded to the proposal submitted in this Office letter No D3-75(p R) of 46-47 dated 25th September 1946, very early
